Right to Buy	Criteria
Property Types	<p>The maximum discount is £102,400 across England, except in London boroughs where it's £136,400 and increases each year in April in line with the consumer price index (CPI). Houses and flats attract a different level of discount but are both subject to the absolute caps above. Once the property is purchased the borrower may sell the property but if it's within 5 years of the purchase then a reducing proportion of the discount has to be repaid to the council.</p> <p>Houses You get a 35% discount if you've been a public sector tenant for between 3 and 5 years. After 5 years, the discount goes up 1% for every extra year you've been a public sector tenant, up to a maximum of 70% or £102,400 across England and £136,400 in London boroughs (whichever is lower).</p> <p>Flats You get a 50% discount if you've been a public sector tenant for between 3 and 5 years. After 5 years, the discount goes up by 2% for each extra year you've been a public sector tenant, up to a maximum of 70% or £102,400 across England and £136,400 in London boroughs (whichever is lower)</p> <p>Property types including construction must meet our standard criteria.</p>

Tell us what you think

Here at Bluestone Mortgages, we pride ourselves not only on our service but communication and transparency with our brokers. Staying true to this, we'd really appreciate your honest feedback. If you could please take 60 seconds to write a review on the service you have received using Google Review or Trustpilot or both, we'd be very grateful!

Providing mortgage solutions for your customers is what we do best, not to mention helping thousands of customers secure their dream homes who have been turned down by high street lenders which is something we are very proud of. This feedback is invaluable and will help us to serve the broker community better by sharing your experiences of working with us during all parts of the application process.

We appreciate your business and want to make sure we understand what we did well and what we could do better in the future.
